INFORMATION DISCLOSURE STATEMENT

Applicants submit herewith several copies of U.S. Patents and Japanese patent applications of which the applicants are aware, and which may be material to the examination of this application and in respect of which there may be a duty to disclose under 37 CFR 1.56.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 CFR 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability or that no other material information exists.

The filing of this information disclosure statement shall not be construed as an admission against interest in any manner. Notice of January 9, 1992, 1135 O.G. 13-25, at 25.

The references submitted herewith are listed on PTO-Form 1449 (modified) attached hereto. A copy of each reference listed patent is being furnished.

Additional comments, if any, on the relevance of each reference listed are provided as follows:

Full translations of the Japanese applications are not readily available, but a Japanese language Abstract is attached to each of the Japanese applications.

The Statement is made on the basis of the information:

_____	supplied by the inventor(s);
<u> X </u>	supplied by an individual associated with the filing and prosecution
_____	of this application (37 CFR 1.56(c)); or
_____	in the attorney's file.

Respectfully submitted,
